

Staff and children of our primary school are looking forward to hosting a volunteer to improve students' knowledge about English-speaking countries. It is a really useful opportunity to meet a native speaker at our school. To make our cooperation more effective we would like to summarise the main points of working together.

Requirements

- ☺ Staying at school from 8 am to 4 pm
- ☺ Involvement in four or five English lessons a day
- ☺ Preparing for the lessons with English teachers at school
- ☺ Participation in the school programs
- ☺ Getting ready for introducing his/her country:
 - 👉 landscape
 - 👉 geographical features
 - 👉 famous places and buildings
 - 👉 history
 - 👉 peculiar animals, plants
 - 👉 costumes and traditions
 - 👉 other curiosities
- ☺ Teaching rhymes, riddles, songs, tales for age-group of 7-14-year-old children
- ☺ Showing the costumes and traditions connected with actual festivals and holidays

Our school is well-equipped with computers and Internet access in the teaching staff room and in the classrooms.

In order to make easier and less daunting the volunteer participant's visitation and job, we would like to ensure him/her to make contact before his/her arrival. (romocsa.szilvia@jozsefattila.hu)
